## **Governor's Passport Cup**

Time Frame: October 1, 2011 to July 31, 2012

**(For the top winner a Cup with the club's name inscribed to be held for a year and ribbons for 2<sup>nd</sup> & 3<sup>rd</sup>)**

Awarded, to the top three clubs, that has visited as many other clubs in the district, as well as outside the district. This is done at the club you are visiting appointed meeting time, and maintaining a record of the visit in the excel passport document.

To encourage participating in this award all a club needs is at least one member visiting other club to qualify, but the more members in a visit the better. A diary of what you learned, new ideas and what you have learned about someone new should be kept in a "Word" document to share with the district at the annual district convention session on interclub.

A visit by a district officer does not count unless they bring another member. All passport interclubs would be documented on your passport form and retained. On a periodical bases (January, April, August) send your excel (passport) form to the chair so we can post the results. The diary should be sent to the chair July 31<sup>st</sup> to be compiled for the conference. The host club for any meeting does not get credit for an interclub.

If you have any questions contact the chair.
