

Kiwanis[®]
New England & Bermuda District

I don't know about any other Districts, but here in the New England & Bermuda District we have an Inter-club Contest. Unfortunately, there are Kiwanians and Kiwanis Clubs out there that believe Inter-clubbing is for the contest. It is not, Inter-clubbing is a very important part of Kiwanis. The contest was started in hopes of getting more clubs to actually start doing more inter-clubbing. It promotes the exchange of ideas for both fun and fund raising, it promotes fellowship between club members and also between clubs, plus many more advantages that you will see on the Promoting Inter-club Meetings paper. Please feel free to copy and distribute any and all of this information to the clubs in your division.
