OBJECTS OF KIWANIS

- To give primacy to the human and spiritual rather than to the material values of life.
- To encourage the daily living of the Golden Rule in all human relationships.
- To promote the adoption and the application of higher social, business, and professional standards.
- To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 Convention in Denver, Colorado. Through the succeeding decades, they have remained unchanged.
Get New Members involved with serving the children of the world NOW.

By WILLIAM T. JENKINS
Governor
New England & Bermuda
District of Kiwanis

The year is nearing its end and there is still so much left undone. While some clubs have either completed their I-Plans, and have begun to think in terms of a strategic plan to carry them successfully through the next five years (and hopefully through many more), many have not. In a booklet titled “Sticking to it,” authors Lee J. Colan and Julie Davis-Colan explain how they discovered that “… actual strategies are much less important than their ability to stick to them.” Many of our clubs haven’t iterated their strategies but inherently know what they are, what they mean to their community, and “stick to it”. As Jean and I travel the District with my message regarding the I-Plan, it has progressed to “What if Kiwanis Didn’t Exist?” I do believe the communities we serve would be markedly different if we were not here.

Just this last weekend we visited Stamford, CT, and heard the past and current mayors of the City of Stamford extoll the 100 years of outstanding support the club has provided to the city. You have to be impressed! It isn’t just this club that has celebrated 100 years of service to its community. Others, such as Worcester, MA and Bridgeport, CT, have reached the 100-year mark, and many have supported their communities for nearly as many years. These clubs are well known within their communities. Those new clubs we are in the process of opening will continue to make the difference in the years to come. In this endeavor, we have to thank the many members who have passed through these doors and who have provided countless hours of service to the children and their communities. Their communities have truly been blessed.

This sense of service to children and community is what brought each one of us to Kiwanis and, hopefully, what will continue to help us to maintain and grow our service to the “children of the world”. Jim Rohn, the late author and motivational speaker, said “One of the first things successful people realize is the old adage, ‘If it is to be, it is up to me.’ This doesn’t mean that you do it all alone. It simply means that you take responsibility for your life and your career.” The 2016-17 Board is a fair example of this and together they have attempted to bring the message of planning and growth and to “Energize the Dream” – that every child is happy, healthy safe and loved. In many ways they have been successful. It still all reduces to one simple fact – growth in membership! More members mean more service, and it is no longer “me,” but “us!”

We are currently show a positive membership growth and with the incentive just announced that the District will rebate $25 to the club for members added between July 1, 2017 and August 31, 2017 it is hoped we will end the Kiwanis year with positive growth. The club’s out-of-pocket for each new member added is $56.00. This incentive if credited to the new member will, in a sense, prorate the initial dues and reduce the dues billed in September/October. The same incentive was in place last year and did stimulate new member adds. Please don’t hold back new member adds in July and August. Add them to your rosters and get them involved with serving the children of the world NOW.

We should also see an increase in membership through the efforts of club openers like Robert Kinney, Denis Murphy, Dan Bennett, Manny Bolivar, George Delisle, Kevin Dillon and many other as we strive to open new clubs in Amesbury/Newburyport, Burlington, Northampton, Pawtucket and Providence. We have a new/returning club in Milton, MA which added 16 new members. If you are asked to participate in a club building event, get involved. It is a great experience and the knowledge you’ll gain will be useful to maintain and grow your own club, whether you learn how to be a club opener or a club counselor/coach.

It is also time for each club to consider participating the 2016-17 Recognition Program for individual members and for clubs. Check it out at http://www.kiwanis.org/ clubs/member-resources/awards-and-recognition/distinguished-recognition. One thing I have learned in my many years of business and volunteering is that recognition does have a meaningful impact. We might also get a picture of some of you with Kiwanis International President Jane Erickson. Not to take away from the Kiwanis Club of Portland who are celebrating their 100th anniversary on September 30, 2017 with Jane as the keynote speaker, but we might be able to sneak in a picture or two with your Distinguished member(s). Of course, you have to attend the gala event just to be sure.

See you at our District Convention in August!
Connecting Kiwanis with our Communities

By Dan Bennett
Governor-elect

On June 2nd to 4th 15 of our Lt. Governor-elects met in Mansfield MA for training. Saturday morning, we were fortunate to have International President-elect Jim Rochford present his “Eye of the Tiger” objectives which are, “to help our districts increase membership as we open new clubs and strengthen existing clubs.” Jim went on to ask everyone on the team “... to have the Eye of the Tiger, meaning a desire to achieve great things. Be better than good, be best - meaning to do the best job and leave our divisions in better shape than when we take leadership on October 1, 2017.”

By building new clubs and strengthening our existing clubs we will be able to achieve my goal of “Connecting Kiwanis with our Communities” and do more service for our children.

I asked each lieutenant governor-elect to spend June thru August preparing for 2017-2018 by working on identifying a site for a new club in their division’s area and, in September and October, to work with the Formula club opening teams to open new clubs or re-charter a former Kiwanis Club.

During this current Kiwanis year Formula Chair Bob Kinney and his teams worked to identify sites and train teams to build new clubs. With help from Kiwanis Regional Development Strategist Lanton Lee, Bob trained club opening teams from Medford and Westfield. Bob and Div. 11 Lt. Gov. Dick Stetson rebuilt and re-chartered the Kiwanis club of Milton MA.

Past Governor Fred Bishop has been a tremendous help in identifying potential sites, providing detailed analysis of sites in our states. He has completed work on Vermont, New Hampshire, Maine and Rhode Island which has been shared with the lieutenant governor-elects.

Governor Bill Jenkins, Secretary George Delisle, Lieutenant Governors Kevin Dillon and Manny Bolívar, Past Lieutenant Governors Denis Murphy, Bob Kinney and Daryl Silva and I have all worked in the field on opening new clubs in Amesbury, Burlington, Northampton and Pawtucket RI. Lynn Farrell, Foster Crawford and Cindy Perham have identified sites in Shelton/ Valley Area, New Milford, Guildford and Madison, all in Connecticut. Also in the pipeline are Orange MA, Chicopee MA, Derry NH, and Boston/KPTI.

Jim Roehm of the Newport RI club is exploring a Young Professional Club in Providence RI. Div. 8 Lt. Gov.-elect Elliot Curtin is working on strengthening the Chittenden County, VT, club or opening a second club. Div. 13 Lt. Gov.-elect Tammy Grey has identified Dennis/ Yarmouth as a location to re-charter a club. Div. 17 Lt. Gov.-elect Geana Delisle has identified Lenox MA and Enfield CT as possible sites. Division 7 Lt. Gov. Lindy Falconer has identified a site in New Hampshire.

Many of the selected sites are where we have an orphaned Key Club or other Service Leadership program without a supporting Kiwanis Club.

We are building a strong foundation for new clubs on which to build in the next couple of years. Unfortunately, history tells us that 50% of new clubs fail in the first five years. However, you can help prevent that from occurring by helping sponsor and mentoring a new club in your division for a year. When your lieutenant governor asks your club to help sponsor a new club please say yes.

Enjoy your summer and I look forward to seeing you in Hyannis in August for our 99th Annual Convention.
Every Kiwanis Job has its rewards

By GEORGE DELISLE
District Secretary

This my last Yankiwanian column as your District Secretary, and I have mixed emotions about giving up what has been, in many ways, the most satisfying and enjoyable job I have held in Kiwanis. I will miss the day-to-day interactions with Kiwanians around the district, especially those with club secretaries. My tenure as District Secretary has certainly confirmed my view that secretaries are the glue that holds our clubs together.

Of course, every Kiwanis job has its rewards, and I think that success in this organization comes from embracing our roles, whatever they may be. You have given me the opportunity to be a club president, lieutenant governor, district treasurer, governor, district secretary, and, most important, a member, and I have learned and made new friends in each of those roles. For that, I am forever grateful.

Most of you know I am stepping away from the District Secretary’s job to take advantage of the unexpected and exciting opportunity to be a candidate for Kiwanis International Trustee at the 2018 Las Vegas Kiwanis International Convention. Past Governor John Maihos has accepted Governor-elect Dan Bennett’s appointment as District Secretary, and he will take over the job in October. I want to personally thank John for his willingness to shoulder this responsibility. I am confident John will do a great job for all of us, and I sincerely hope he will enjoy the role as much as I have.

My Kiwanis journey has been a long road, full of twists and turns, and always an adventure. I will always be grateful to my friend, the late Don Colburn, who invited me to become a member of the Springfield Kiwanis Club after I visited the group as a guest speaker in 1979. As a 27-year-old newspaper columnist, I could not possibly have imagined the places Kiwanis would take me over the course of the next 38 years.

If you have just recently joined Kiwanis, I have some advice for you … don’t say “no.” Kiwanis is full of opportunities to learn and to grow. When you’re asked to lead a club project, say “yes.” When you’re asked to become a director, or a club officer, say “yes.” When you’re asked to serve your division as lieutenant governor, say “yes.” When you’re asked to serve the District as a committee chair, or to step up as an appointed or elected district officer, say “yes.” Don’t question your qualifications or abilities, and don’t equivocate because you “don’t have time.” Jump in! You will grow as a person and as a Kiwanian. These are the opportunities that bring true value to you as a Kiwanis member.

I’m retiring from my position at the Springfield Republican newspaper in November after 46 years, and I am eagerly looking forward to devoting my full time and energy to Kiwanis for many years to come, in whatever opportunities present themselves. Thanks to all of you for your friendship and support past, present, and future.
Summer has found its way into our homes and I am excited for the endless opportunities it brings with it! From warm days on the beach to cool evenings cooking on the grill, summer is a time for friends and family to get together - and that includes our Kiwanis family. Though many of our Circle K members tend to go home for the summer, there are still many members who live in the areas where they go to school. We have summer jobs and internships or apartments that we will have until we graduate, and thus summer brings us yet another opportunity to expand our Kiwanis family relationships. For those clubs which sponsor not only a Circle K club but any other SLP branch, make sure you don’t forget to reach out and invite your SLP members to a meeting this summer. Or, maybe your club is hosting an auction or a picnic that you need help running, or you just want some good company. Either way, as students, we are not hounded by the schedule of classes and the need to study for exams or write a research paper during the summer months, and we have more time to be involved in the fun summer festivities.

For those clubs which may one day hope to sponsor a Circle K chapter, summer is a great opportunity for you to start thinking about helping to charter a club. We have many Key Clubbers who are preparing for their college years and who have a desire to continue their Kiwanis family journey. Making sure that as Circle K and Kiwanis members we reach out to those passionate and dedicated leaders early on to ensure their continued success is vital to the continued growth of the New England District of Circle K and of the New England and Bermuda District of Kiwanis as well. By beginning the process early, we can make sure that if there are Key Clubbers or even college students we know who attend a school without a CKI, they can start the school year with everything they need to go to their University and start a new club. Your help is vital to making this happen.

This summer, six members from four clubs in our District will proudly represent our members at CKIx (our International Convention) from July 5-9, where we will vote on our international leaders and amendments - hopefully bringing home some well-deserved awards - and learn what it truly means to be part of such an incredible organization. We will make sure to keep you all informed of our wonderful adventure. We are also excited to be helping with the first-ever Aktion Club District Convention on August 26, and I am excited to be going to Vietnam with Children of Peace International for their summer medical mission. Our members are working hard at their jobs while taking time to volunteer, whether it’s selling roses for a fundraiser or volunteering at a local soup kitchen, and I couldn’t be more proud of what they have done so far this summer and what they will continue to do.

With my term already a quarter of the way done, I couldn’t be more thankful for the continued support of every Kiwanian in the District. Whether through supporting my mission to COPI, helping the District rebuild our clubs, sharing many words of wisdom and sound advice with me, I thank you all and know that with continued collaboration with our members and Kiwanis we will see both Circle K and Kiwanis thrive in the upcoming year. I greatly look forward to seeing you all in Hyannis this August and hope you don’t forget that summer is all about family and that includes your Kiwanis family!
Welcome Key Club Governor Raphaella dos Santos

By Raphaella dos Santos
Governor
New England & Bermuda District of Key Club

My name is Raphaella dos Santos, and this year, at the 68th annual District Educational Conference, I was elected as the 2017-2018 Governor for the New England and Bermuda District of Key Club International. I first joined Key Club my freshman year thinking it was a science club. After three meetings and volunteering at a nearby soup kitchen, I learned that Key Club was all about service and caring. I fell in love with the people in my Key Club and, most importantly, with the community. To me, Key Club means everything. When I first moved to Cape Cod, I didn’t know anybody or even the town I was living in. I started at a very small charter middle school and loved it deeply, but when I had to take the big leap into high school, as you can imagine, I was scared! Starting at a new school with new people may not be fun for everyone, but having a club that met every Monday at lunch made transitioning easier.

By my sophomore year in Key Club, I wanted to do more but not just for my school; I wanted to change other communities also. This inspired me to charter a new Key Club thirty minutes from where I live, at Monomoy Regional High School.

When I started the Monomoy Key Club, I didn’t know how it would turn out, but I had faith in the students I was working with because they were good people who wanted to change their community for the better. I can proudly say that the Monomoy Key Club officially chartered in 2016 and continues to thrive, making both me and their community proud with all of their service and hard work.

As my sophomore year was ending, my Kiwanis advisor urged me to take on the role of Lieutenant Governor, serving nine amazing Key Clubs on Cape Cod. As I helped these Key Clubs create new service projects, make their Key Clubs more active, and show their communities what Key Club was all about, I discovered my desire to lead even more.

At this year’s District and Educational Conference, I stood behind six podiums and gave nine speeches hoping to become the District Governor. My goals as Governor are to increase communication with all the Lieutenant Governors, strengthen the Connecticut and Bermuda Divisions, grow the Kiwanis community, keep our social media platforms active, and of course, serve! All my goals are achievable with the help of all the amazing Key Clubbers working together to strengthen their communities as we continue to prove our motto: caring—our way of life.

I look forward to working with Kiwanis this year and meeting many of you at your District Convention in August!

Yours in service and friendship,

Raphaella dos Santos
New England and Bermuda District Governor
Key Club International

Immediate Past Governor Recognizes Divisions & Clubs

By Bart Stevens
Immediate Past Governor

As Immediate Past Governor, I would like to take this opportunity to publicly extend my thanks to the following clubs for going above and beyond during the 2015-2016 administrative year. Each of the following clubs received the Distinguished Club Award for 2015-2016. A special thanks to both the club presidents and the club secretaries who took the time to make sure the on-line reports were completed, allowing their clubs to receive this recognition. Each member of these clubs should be proud of this accomplishment, given the fact we have some 140-plus clubs in the district. Each of these clubs was recognized at Mid-Winter Conference and presented with a certificate and distinguished pins for both the president and the secretary. Of the 21 Divisions, just one had the good fortune to make distinguished division and that one was way up in northern Maine (insert drum roll here) - Division 1, Lieutenant Governor A.J. Cloukey. Congratulations to A.J. and all three Division 1 Clubs (two of them made the distinguished club list).

Thank you for all you did and, more importantly, thank you for all you do.

The following earned the Distinguished Club Award for 2015-2016:

Caribou; Presque Isle; Three Rivers, Milo-Brownville; Greater Waterville; Rockland; Scarborough; Standish; Hooksett; Manchester; Woburn; Medford; Bourne Wareham; Hyannis; Mashpee; New Bedford; Lee; Pittsfield; Westfield; Hartford

Distinguished Division -- Division 1

Additionally, Kiwanis International President Sue Petrisin recognized four individuals in our District for being Distinguished Members. Congratulations to Richard Troxell of the Weston, CT Club; Daniel Kasprzyk of the Scarborough, ME Club; Sandra Hodson of the St. George’s Bermuda Club and Patricia Stevens of the Greater Waterville, ME Club.

Thank you all Kiwanians in the New England and Bermuda District for a rewarding and memorable year!!
Announcing the 2017 Kiwanis Membership Incentive Program

Club presidents, secretaries and membership chairs:

To encourage New England and Bermuda District Kiwanis Clubs to recruit new members and to register them with Kiwanis International immediately, the District is offering a $25 rebate direct to clubs for new members who join between July 1 and September 1, 2017.

Participating clubs must register in advance with District Formula Chair Bob Kinney. Simply send an e-mail to bobkinney55@aol.com with “rebate program” in the subject line. Then, recruit your members and enter them in the Kiwanis system through the secretary dashboard. To qualify, your new members must be entered in the Kiwanis system before midnight on August 31, 2017.

In September, your club will receive $25 for each member you recruited and registered between July 1 and September 1. It couldn’t be easier!

The District strongly encourages clubs to pass the rebates along to the new members as a way of defraying their new member fees.

Don’t wait … register today and start recruiting those new Kiwanians!
Hello fellow Kiwanians,

My name is Elyse Denorfia and I am a candidate for Governor-Elect of the New England and Bermuda District of Kiwanis. I have traveled across our district attending several of the division caucuses as well as visits to individual clubs as part of the gubernatorial campaign trail. In my travels, I learned about various initiatives and projects completed by different clubs and divisions. I heard concerns regarding the steady decline in the size of our clubs as well as ideas to grow our clubs. I was inspired by the passion and dedication our members bring to our clubs and divisions. The initiative that many of our members are taking to ensure we are maintaining the health of our clubs is encouraging as we look to the future of our organization.

I believe deeply in Kiwanis and its mission; I personally want to do everything I can to further the Kiwanis impact. While many of our individual clubs are strong, we need to ensure that all our clubs are stronger to mitigate the challenges that face us as an organization. The cohesion of our District depends on the strength of each club. As a District, we need to ensure that we are supporting the specific needs of the individual clubs in every way we are able.

Increasing our hands-on service, growing our membership, supporting and growing our Service Leadership Programs, and shaping our Kiwanis leaders for success are the crucial ingredients in my recipe to strengthen the impact that Kiwanis has in New England and Bermuda. To be successful in these areas, I believe the district should provide trainings and hands-on resources to ensure these goals are met. I have many ideas to support these areas and would love to discuss them further with each of you.

As Governor-Elect, I will work with you to meet the challenges that face Kiwanis as a global organization. We will increase our ability to provide for our communities and change the lives of the children of the world. I believe I am uniquely qualified to make a significant contribution to the District and our goals for the future. I pledge to do all I can to enhance the Kiwanis experience for all members and encourage Kiwanis to grow and thrive. I look forward to working with every club to impact change in our organization. Together, we will have a phenomenal impact on our communities and the world!

Please feel free to contact me: Elyse.Kiwanis@gmail.com and follow my journey on Facebook- Search for the page: Elyse for Governor-Elect-New England and Bermuda District of Kiwanis. I hope to see you in Hyannis at District Convention: August 24-27!

Yours in Kiwanis service,
Elyse
My Dear Kiwanians,

If you remember the 2017 Super Bowl between the Patriots and the Falcon’s, you will remember that the Pat’s were down 28 points in the 3rd quarter. That’s when Tom Brady fired up his teammates. The plan was: One play at a time, don’t try to overachieve, and remain Laser Focused on each play. If you remember, that was exactly what the Patriots did. They adhered to the game plan, and strategy that they already had set for playing against the Falcon’s. What did they do then, they remained Laser Focused on the Falcons? They IMPLEMENTED their game plan. They tweaked it, not changed the plan. One play at a time. The results, were that the Patriots were victorious!

Keeping focused and sticking to the game plan is exactly what I will do as your Governor-elect. Some will ask, why not change the plan for each state, starting with Connecticut. Others will say we need a strategy for each state? I say we need to IMPLEMENT what we have, then tweak what doesn’t work to make it work for everyone.

As Governor-elect and then Governor I will be working with the FORMULA team just as is the present and future governor. Our past and current district leaders have been continuously working and IMPLEMENTING the FORMULA. We have all been doing this by going out into the field working on new clubs, and strengthening existing clubs. This will keep the ball rolling in the right direction, and keep continuity between administrations.

International President-Elect Jim Rochford will be doing the same with his Eye Of The Tiger Team. He is going to work every 2 weeks of every month on Kiwanis club opening and strengthening. I will be, and have been following Jim’s lead, as well as my continuing work with the FORMULA Team, as are Governor Bill, Governor-elect Dan, and many others.

What were the results of the Eye Of The Tiger Team, last year when they went into the Kentucky – Tennessee District with the team. They were the only district in the America’s to have growth in both membership and clubs. Who was second? New England and Bermuda District. With a net loss of 33 members, which is down from previous membership losses. The momentum is now with us and with your help and commitment on IMPLEMENTATION we too will also grow.

As our most used motto states, “Kids Need Kiwanis”, that is the driving force behind my candidacy for running for Governor-elect.

Yours In Kiwanis
Denis V. Murphy II
The Kiwanis Pediatric Trauma Institute (KPTI) is pleased to announce the availability of a new educational program on pediatric trauma management designed for emergency medical personnel. This training program is actually an updated version of a program that was first conducted in the 1990s through 2006. The training is designed for Kiwanis clubs to conduct in their own communities in partnership with hospitals, police/fire departments and/or emergency medical services. It offers a mechanism for Kiwanis clubs to form community partnerships and get the message out to families about how their club is working to keep children safe and healthy.

The rationale is simple: most emergency medical personnel, especially in rural areas, have much less experience responding to injured kids than they do to injured adults. This is because more adults than children are typically injured each year in a given community. Although we always strive to prevent pediatric injury and keep the occurrence as low as possible, this means that first responders often don’t have enough hands-on experience managing these types of injuries. This course was designed to supplement the basic preparation in pediatric trauma that EMTs receive in their initial training, and to bolster their confidence in responding to these situations.

Sponsorship

Courses are usually sponsored by a Kiwanis Club as a joint venture with a community health or emergency response agency. Participating Kiwanis clubs will need to arrange a suitable training facility with AV resources, serve refreshments at registration and breaks, promote the program locally and invite emergency medical personnel, and conduct on-site registration.

The instructor and curriculum

The course is taught by Adam Silva, B.S., a nationally registered paramedic and instructor of pediatric advanced life support (PALS), with nearly 20 years of EMS experience. KPTI will provide educational materials for participants and will facilitate the continuing education process so that each participant receives 4 continuing education credits and a certificate of attendance.

How to bring the program to your community

If you are interested in hosting the training, a good way to start is to contact the continuing medical education office of your local hospital(s) and/or the local emergency services agency to discuss a partnership. The program is usually offered on Saturdays but weekdays/weeknights and Sundays are also possible. KPTI staff and the trainer will work collaboratively with the sponsoring Kiwanis club to set a mutually agreeable date. The sponsoring organizations (Kiwanis club and community partners) are asked to pay a fee of $1,000, which includes the trainer’s fee and travel expenses, course materials, and continuing education certification. Participating Kiwanis clubs are strongly encouraged to charge a fee to the emergency medical participants both to cover costs of food and venue and to ensure their commitment to attending the course and fully participating on the day of the training. Suggested fees are in the $30-$50 range.

Interested in hosting a training in your community? Contact Anne Keliher, the KPTI Project Specialist, at 617-636-6381 or akeliher@tuftsmedical-center.org.
PAST LT GOVERNORS TO MEET AT DISTRICT CONVENTION

If you are a Past Lieutenant Governor, you are automatically a member of the Past Lieutenant Governors Committee (PLGC). Please plan to attend the 99th District Annual Convention in Hyannis, MA and participate in your committee’s meeting. Among other agenda items will be creating teams of past Lt. Governors in the twenty divisions to assist the current Lt. Governors; Election of committee directors from Bermuda, Massachusetts, New Hampshire and Maine; election of officers for 2017-2018 and discussion of how we can best serve the New England & Bermuda District of Kiwanis

Minutes of the PLGC meeting held in March were emailed to all active Past Lieutenant Governors. If you did not receive a copy the district may not have your correct email address. Please forward your corrected information to District secretary George Delisle. secretary@newenglandkiwanis.org.

PLGC ANNUAL MEETING
Saturday, August 24, 2017, 7:00 AM
Resort & Convention Center at Hyannis, Grand Ballroom 1

Please submit suggestions for agenda items to PLGC President: Sharon Binette at: sbinette59@roadrunner.com

Key Leader is a weekend experiential leadership program for today’s young leaders. This life-changing event focuses on service leadership as the first, most meaningful leadership-development experience. A Key Leader will learn the most important lesson of leadership—it comes from helping others succeed.

Participants begin by attending a Key Leader conference, which is a weekend retreat. Large and small group workshops, discussions and team-building activities take place over the course of the weekend. Students have opportunities to learn leadership skills that will help them to change their schools, communities, and world for the better. While exploring leadership in a whole new way, participants will make amazing new friends and have experiences they will never forget. Positive, ongoing interaction with other Key Leader graduates offers continuing reinforcement, encouragement and growth of leadership skills.

We are so fortunate to have a Key Leader event in New England.

Find out more at www.key-leader.org.

What you need for a Key Leader weekend!

**Shoes**
Closed-toe shoes such as sneakers or tennis shoes.
Flip flops are okay, but only for the shower.
No slip-on shoes are allowed on the ropes course.
(Example: TOMs shoes, etc).

**Clothing**
Comfortable clothes - jeans or shorts, T-shirts (long sleeved T-shirts), hoodies or a light jacket.
Appropriate sleep wear.
Raingear - rain slicker or umbrella
  • Check the weather forecast before packing.

**Bedding**
Sleeping bag
Pillow
Blanket
Pillow
Bring whatever works best for you.

**Linens**
Towel and wash cloth
(An old towel or beach towel is best.)

**Toiletries**
Toothbrush
Toothpaste
Shampoo
Soap
Deodorant

**Food and beverages**
Most camps do not allow food or beverages in the cabins. Do not bring food or drinks with you.

We will provide plenty of great meals and snacks throughout the weekend. If you require special meals/snacks, do not hesitate to let us know so that we can see to your needs.

**Electronics**
Do not bring expensive items with you to Key Leader, such as iPod, iPad, Kindle, Nook, smart phones or cash.

**Other needed items**
Water bottle
Flashlight – if you have one.
Small self portrait photo for your Key Leader mailbox.
All forms sent to you by email, signed by a parent.
All medications needed for the weekend.

**Medication**
- We will not collect medications; you are responsible for taking your own medicine.
- Be sure to list all medications on your medical form.

**Forms**
Bring forms sent to you by email prior to the weekend. A medical form and community values form is required. Both forms need a parent/guardian signature. If the camp you are attending requires a specific release form, it will be sent to you the week of the scheduled weekend. You can also find these forms on our website at www.key-leader.org.

Forms should be returned by August 1, 2017. Each delegate should bring a signed copy of this form to the convention.
News From Public Relations

Well it’s difficult to believe we are only 2 months away from DCON!

I have enjoyed reading all the wonderful submissions for the PR award. Please make sure you attend Friday night’s dinner to hear the winners.

Also I will be teaching a class on Friday:

Ever wonder how to get new members spread the word about Kiwanis?
Come to the PR Education session on social media.
We will take a look at facebook who’s using it and how we can improve our page.
Learn about some new things that international has made available to us for marketing and branding.

This class is great for club PR chairs or anyone that wants to help improve their clubs brand.

I would love to see you all there. Remember the Kiwanis website is a great resource for any information you need to promote your club. Here is the link http://www.kiwanis.org/clubs/member-resources/training/club-committees/public-relations-committee.

Please do not hesitate to contact me at pr@newenglandkiwanis.org

See you in August!!

—
Gayla Bartlett District Public Relation Coordinator

Saco River Valley

The Saco River Valley Kiwanis held their Annual Pancake breakfast on June 17th. They raised $1,260 to benefit Maxwell Littlefield, who has cancer.

Presque Isle

Kiwanis Club of Presque Isle doing a visit to Easton’s Club annual BBQ. As always the food was delicious and a fun had by all that attended. Members have been attending this event for many years.

L-R Tim McMahon, Past District Governor Deirdre McMahon, Club Treasurer Sue Watson, Lt Governor Esther Richardson, Easton’s Club Secretary Janna Dodge, Easton’s Club member
Danvers

The Danvers Kiwanis club hosted their 3rd annual car seat safety check. This event was held in conjunction with the Danvers Police and Safe Kids New England. There was a special visit from the Chick-Fil-a cow.

Lt. Governor Division 9 Gayla Bartlett, Danvers Kiwanis President Laurie Pellerin, Governor Elect Dan Bennett, Ann Bertini, Kay Maurice, Chick-fil-A Cow Members of the Danvers Police Department and Car Seat technicians from Surrounding towns.

Fairfield

Scholarship Chair, Cindy Perham, from Fairfield Kiwanis, awards Madeline DeMartin, from Fairfield Warde HS, one of the scholarships given this year.

At the Kiwanis of Fairfield CT Scholarship Breakfast, held on June 7 at the Gaelic-American Club, there was much to celebrate. Seven local high school graduates each received $1,500 towards their college expenses. Pictured, L-R; First Selectman, Michael Tetreau, Kyla Wholley, Fairfield Warde HS, Andrew Fallon, Notre Dame HS, James Thornton, Fairfield Prep, Daniel Knorr, recipient of the Glenn Barnhard Memorial Scholarship, from Fairfield Warde HS, Mia Tommins, recipient of the Jean McQuire Memorial Scholarship, from Fairfield Ludlowe HS, and Wesley Merkert from Fairfield Ludlowe HS., and Fairfield CT Kiwianis President, Paul Giacalone.
Holyoke Kiwanis Club had the opportunity last night of saluting some of the brightest and brainiest graduating high school seniors in our midst as we presented them with scholarships to help them as they continue on to college. The schools they are graduating from and the colleges they will be attending are:

Matthew Bevan from Holyoke High School to University of Massachusetts,

Hailey Butler from Holyoke High School to LaSalle College

Jacksiel Colon from Holyoke High School to Skidmore College

Devan Kane from Holyoke High School to University of Massachusetts

Amber Lempke from Holyoke High School to Worcester State College

Cristina Roselli from Pope Francis High School to University of Massachusetts

For many years, the club has participated in the Kiwanis International Legion of Honor and the New England District’s Legion of Merit programs to honor those members who have contributed their time and their energy in making their communities, and therefore the world, a better place to live. Kiwanis International’s Legion of Honor award has been created to recognize Kiwanians with 25 or more years of service. The Legion of Merit program is the means to honor those members who have achieved 5, 10, 15, and 20 years of Kiwanis service.

At the May 3rd club meeting, the club honored three Kiwanians for their years of membership in Kiwanis International and their service to the community.

Legion of Honor: Peter Espiefs -55 yrs
Legion of Honor: Jim Faux -30 yrs
Legion of Merit: Mike Ward -15 yrs

Combined, these members represent 100 years of Kiwanis membership! Many years of making a difference in the lives of children!
Manchester

**Over $28,000 Earned**

Kiwanis of Manchester, NH

50th Annual Charity Auction

The 50th was one of the most successful Auctions ever. All of the profit is earmarked to provide support for a host of non-profits that provide services for kids in Manchester. It was a great team effort with nearly every member of the Club participating either as a donor of items, a sponsor, or as a worker. Plus, Key Clubbers along with family members of Kiwanians pitched in to help. More photos: http://www.kiwanismanchesternh.org/Page/4225.

(NW - Yank) 5th graders at the Northwest Elementary School celebrate their new gear.

(Auction Mini – Yank) (l to r) High bidder, Kiwanian, Hal Jordon, seated in the used “Mini” donated by Kiwanian, Fred Savage (center) with Kiwanian, Lou Catano, Executive Director of the Webster House. The “Mini” was the crown jewel among the hundreds of items and gift cards auctioned. The auction is held on the grounds of the Webster House, a group home for youth aged 6 to 18 and a longtime partner with Kiwanis of Manchester, NH.

Photos: (Auction – Yank) Volunteer, Nina Levine, a member of the Bedford High Key Club and Auctioneer Frank Eaton from Variety Auctions in Epsom, NH.

(KIWANIS OF MANCHESTER, NH DONATES TO SCHOOLS...AGAIN!)

President, Angelica Ladd, President-Elect, Marilyn Charbonneau, and Director, Laura Nesmith along with Secretary, Tom Kallechey delivered the board games and gear. This time the schools were Gossler Park and Northwest Elementary on the west side of Manchester. The initiative began in the Fall with donations to the intercity elementary schools. Like most school districts, Manchester’s doesn’t have the cash to finance “extras.” So, the donation from Kiwanis provides the opportunity for fun and learning when the weather prevents outdoor recess.

Photos: (Gossler – Yank) Hugs for our new stuff! Marilyn, Angelica and Laura with Noah, Xariana, Owen, Leland and Kennedy at Gossler Park Elementary.
Mt. Washington Valley

Conway Family Dental Care was honored as a Friend of Kiwanis at a ceremony during a recent meeting of the Kiwanis Club of the Mt. Washington Valley. For the past four years, the local office has donated supplies and staff members Kim Merrill and Beverly Aimian have volunteered their time to visit valley elementary schools giving creative and energetic presentations that promote good oral care. The program has been a key component of the club’s mission of serving the children of the Mt. Washington Valley for the past ten years. Past President Ralph Lutjen has chaired the program for nearly all that time assisted by several other Kiwanians.

At a recent meeting of the Kiwanis Club of Mt. Washington Valley, Joy Gagnon of the UNH Extension/Carroll County spoke to us about Nutrition Connections, a youth and family project she directs. With a grant from our club’s Asset Allocation program called Slow Cooker, families learn how to make nutritious meals in a slow cooker (crockpot). Our grant was given to the Miranda Leavitt Foundation at Memorial Hospital.

Also at that meeting, we met Jessica DellaValla who will be leading us through the Kiwanis I-Plan process. Jessica is well versed in facilitating strategic plans and will assure that we deliver an excellent document to the district and to KI. It will guide us through our next three to five years.

Norwalk

Norwalk Kiwanis Club held its annual Bike Rodeo on May 6. Children in the community were fitted for free helmets, given bike safety education, given t-shirts, and were able to ride the obstacle course.
Presque Isle

The Kiwanis Club of Presque Isle was honored in May at the Aroostock Special Olympics spring games. Kiwanis received a plaque for the club’s 25 years assisting with the softball throw event. The event was a huge success with 302 athletes from 30 different schools and agencies participating.

Waterville

The Kiwanis Club of Greater Waterville conducted their 10th Annual Health and Safety Fair on an unfortunately rainy (but fun as usual) May 6th with over 300 participants. This signature project has become well known in the community and really taken off over the years. The focus is of this completely free event is making healthy, and safe, life style choices for our local children and their families. In the 10 years since inception we have provided well over 2000 free bicycle helmets to area youth. Each year 20+ community organizations join hands with us for this event. There are reading stations (free books), healthy food demonstrations, a fun run, obstacle courses, free snacks (healthy of course), face painting, finger printing and photo ID’s, dance sessions and much more. Fire trucks, police, ambulances, climbing walls, the list goes on and on over the years. Plans are already under way for next year!
100 hours of Community Service Recognition Breakfast - May 18, 2017

The Seekonk Kiwanis invited 30 high school seniors who completed 10 hours of community service to a recognition breakfast May 18. The students’ many activities included: tutoring at Martin Elementary School, baby-sitting, participating in Family Bingos, Walk-a-Thons, and collecting for food pantries. They were congratulated by Key Club Advisor Deanna Marinucci, presented with certificates by Principal Dr. Jones, and given 100-hour pins by Kiwanis President Beverly Hart. Young’s Caterer’s provided breakfast.

Waterville cont’d

The Kiwanis Club of Greater Waterville has spent the spring making fleece “knot blankets” to distribute to the local hospital birthing centers. The first presentation was made to Inland Hospital in Waterville (we also have Maine General Health). Each of the bags contained a handmade with love baby blanket as well as the tub temperature rubber ducks, outlet plugs and more. This event will continue as the Club strives to make sure every newborn has their own pretty blanket to take home.

The Kiwanis Club of Greater Waterville came together in early April to do some food packing. Supplies were donated and purchased to put together bags of food for local students with a need to take home to be used during April’s school vacation. Far too many local youth receive their only rel meals of the day while at school and it was the Club’s hope to provide a little bit of help to those most in need. We left the need part up to school administrators to decide but we had fun filling the bags!!
The Community Kitchen has been operated by Homes with Hope since 1983. Serving 30,000 meals a year, it is operated at the Gillespie Center, 45 Jesup Road, Westport, and is open to all who need a meal. Volunteers from numerous organizations in our community take turns preparing lunches and dinners every day of the year. Lunch is served promptly at 12 noon and dinners are served each night at 5 pm. There is usually a hot pot of coffee available.

Volunteers from numerous organizations in our community take turns preparing lunches and dinners; breakfast is always available through the resources of our Food Pantry.

Members of the Kiwanis Club of Weston serve the evening meal to the homeless on the fourth Thursday of every month except November.

The Kiwanis Club of Weston has raised $150,000 to fund a playground at the Cesar A. Batalla Elementary School in Bridgeport, Connecticut. The Cesar A. Batalla School is a kindergarten through eighth grade neighborhood school and the largest elementary school in the state. It has a unique international flavor and 100% of the students are from families with such little income that they qualify to receive both breakfast and lunch at school. Named after one of the area’s most beloved Latino leaders, Cesar A. Batalla, the school aims to keep his dream alive - creating a school that is more than a building, becoming an integral part of the West End community and an exceptional place to learn. This school additionally houses a special classroom for children with autism and a classroom for children with other special needs.

The playground will serve 550 pre-kindergarten through second-grade children each school day and will be used during school hours and summer camps. The playground will include a racetrack on which small children can ride tikes. There also will be a gate around the play area and security cameras to discourage vandalism. Burke Playground equipment manufactures the equipment and ChildScapes will install it. The names of donors giving $2,500 and more will be listed on a plaque to be placed on the school building.

The $150,000 playground honors Boston Marathon bombing survivor Victoria McGrath, tragically killed in March 2016. Groundbreaking is scheduled for the week of August 7th with the ribbon cutting on Saturday, August 26, 2017.

Additional contributors include the Kiwanis Clubs of Bridgeport and Norwalk. Weston Women’s League recently provided a major gift of $50,500 in support of the playground.
SIXTH ANNUAL RESERVOIR RUN
Half Marathon Race, 5K & Kids
Fun Run on October 29, 2017
at Weston High School
115 School Road Weston, CT

For over 40 years, the Kiwanis Club of Weston has worked to support worthy causes in the Community and surrounding areas through a combination of community service, philanthropy and assistance to youth and to citizens of all ages. Recent endeavors include increasing emphasis on programs to reach out to meet the needs of children and seniors on a broader regional basis. These worthy causes have included donations to the Food Pantry, holiday gift cards to needy families, assistance with home heating bills, deliveries of firewood and scholarship awards.

This year the Kiwanis Club of Weston is donating all net proceeds from the Half-Marathon to aid the Connecticut Food Bank in its Kids Backpack Program. This charity provides six meals and two snacks to put in the students’ backpacks each Friday at the end of the school day. Otherwise they could possibly be hungry all weekend before returning to school on Monday. The city of Bridgeport has the largest number enrolled and 49% of all the children reside in Fairfield County.

The net proceeds of the 5K race will benefit the Weston Boosters’ Club which supports high school athletic programs.

For the sixth year JetBlue is providing two sets of tickets to any destination that they fly for lucky finishers of the Half-Marathon! To qualify for the gift each Half Marathon runner has to complete the course within a designated time of three hours. There is a tear-off coupon on the bottom of each runner’s bib. After passing the Finish Line the runner tears it off and puts it in a designated bin for Female and Male runners. There are two random drawings, one for female and one for male.

Please contact our event Co-founder Phyllis Gary for Sponsor, Partner and Volunteer Info: THERESERVOIRRUN@GMAIL.COM

We would truly appreciate your help to find sponsors at any level, financial and “in kind”, to enhance our event and donations.

Questions about the race, course and general information - contact the Race Director Marty Schaivone-msrunningproductions@yahoo.com. You can see all the events directed by MS Running Productions at www.hitekracing.com/msrunning.
